JET WORKS AIR CENTER EXPANDS SALES TEAM

Denton, TX -- July 2008 -- Jet Works Air Center recently announced Chris Hicks has joined their growing sales team. As a new Regional Sales Manager, Hicks will focus on promoting Jet Works Air Center aircraft maintenance, avionics, paint and interior services for light, medium and heavy turbine business aircraft.

“Chris brings extensive knowledge of the industry and a broad range of maintenance experience,” commented Trey Bryson, President of Jet Works Air Center. “He is an excellent addition to the team and we look forward to him helping us expand our business.”

Chris Hicks comes to Jet Works with over 16 years of industry experience including selling avionics, engine services, interior services, maintenance services and materials to large corporations, government entities and wealthy individuals throughout the United States. In addition, he has sold engine repair and overhaul services to corporate, government, private and regional airline operators throughout Africa, Asia, Europe, Middle East and Central and South America. Prior to joining Jet Works, Hicks held sales and service management positions with Aviall, Dallas Airmotive, Signature Flight Support and most recently Stage III Technologies.

Hicks will be based at the Jet Works Air Center headquarters in Denton, Texas.
