

MD-87 Arrives At Jet Works Air Center For VIP Interior Installation

January 25, 2011, Denton, TX....Trey Bryson (left) President of Jet Works Air Center and Marc Johnson, Director of Sales-VIP Completions greeted an MD-87 upon its arrival in Denton for installation of a deluxe VIP interior.

Under a multi-million dollar contract with a Mideast organization a 24-passenger VIP interior will be installed which will feature a luxurious and contemporary cabin with a state-of-the-art in-flight cabin entertainment system. One of the major features of the interior will be the capabilities in terms of Wi-Fi, Internet access and communications, with virtually all contemporary formats included.

JWAC operates out of approximately 100,000 square feet of hangar space, in Denton, TX, 35 miles northwest of DFW airport. In addition to large cabin interiors, Jet Works offers heavy maintenance service, avionics and paint capabilities for 97 models of Gulfstream, Challenger, Lear, Citation and Boeing business jets.
